## Confirming Your Eligibility

Groups applying for a Community Grant must adhere to the eligibility requirements listed in the Community Grant Program Guidelines, available on the Moorabool Shire Council website.

Please make sure you have thoroughly read this document before submitting your application.

When submitting your application, your group will need to confirm its compliance with each eligibility requirement (please refer to the Community Grant Guidelines). Groups who don't, or can't confirm their eligibility, will not be able to proceed with their application.

The following information will assist your application by clarifying some of the eligibility requirements.

### How can I confirm ABN and GST registration?

- To confirm your community group or auspice's ABN and GST status please go to <https://abr.business.gov.au/>

### The project does not require an ongoing commitment of funds from Council?

- Your application must clearly demonstrate and explain that Council funds will not be required in the future for maintenance, repair or replacement

### Does your project permanently impact property for which you are not the owner?

- If yes, your group must supply a signed Letter of Approval for the project from the property owner/s

### Your group has contacted a Community Development Officer to discuss your grant application?

- You are required to speak with a Community Development Officer prior to submitting your application and will need to list who you've spoken with

### How do I find my Incorporated Association name or Registration Number?

- To access this information, please visit: <https://www.consumer.vic.gov.au/clubs-and-fundraising/incorporated-associations/search-for-an-incorporated-association>

### We don't have an ABN, how do we use an auspice?

If your community group does not have an ABN, you may enter into an agreement with an independent organisation to auspice the grant. If your application is successful, the auspice organisation must then enter into agreement with Council and take responsibility for managing grant funding. The auspice will be held legally accountable for the expenditure of the grant and must provide public liability insurance coverage for the project. The grant applicant must provide evidence of agreement from the auspice organisation as a requirement of funding.

## What information do I need to attach as part of my application?

Applicants are required to provide all requested documentation. Moorabool Council reserves the right to forgo assessment of incomplete applications.

Volunteer labour contributions must be calculated at \$25 per hour.

Please make sure when completing the budget that all in-kind income and in-kind expenditure are equal.
